THE ITALIAN MENTALIST

LUCA VOLPE

.....

If you are planning a corporate events, a big conference or trade show, Luca Volpe can create something unique that your clients will never forget.

There are many advantages to booking a mentalism act for corporate entertainment, especially if your company wants to pursue a wow factor.

Mentalism is new and fresh, it is a form of entertainment that most people won't have experienced live before which makes it unique and impressive to guests. The audience witness truly incredible effects that are impossible to explain and are left with a memorable experience that ensures the event is talked about long after it is over. That is why Luca Volpe is one of the most requested mentalists for corporate events all around the world.

Why not speak to Luca about how he can incorporate your logo or company message into his show? An assured way to get clients talking about and remembering your business.

Luca Volpe is the only mentalist that can offer a total tailor made experience for your company.

From the creation of interactive experiments using maxi screens, to special presentations which help to expand the business client base. The presentation will assist the company in conveying and emphasizing its messages.

Other important features:

- Help the audience remember the company's marketing message.
- Enable the audience to remember the technical aspects of new products.
- Focus attention on any message the company wants to drive home to the audience.
- A fun and unconventional way of getting across a message.

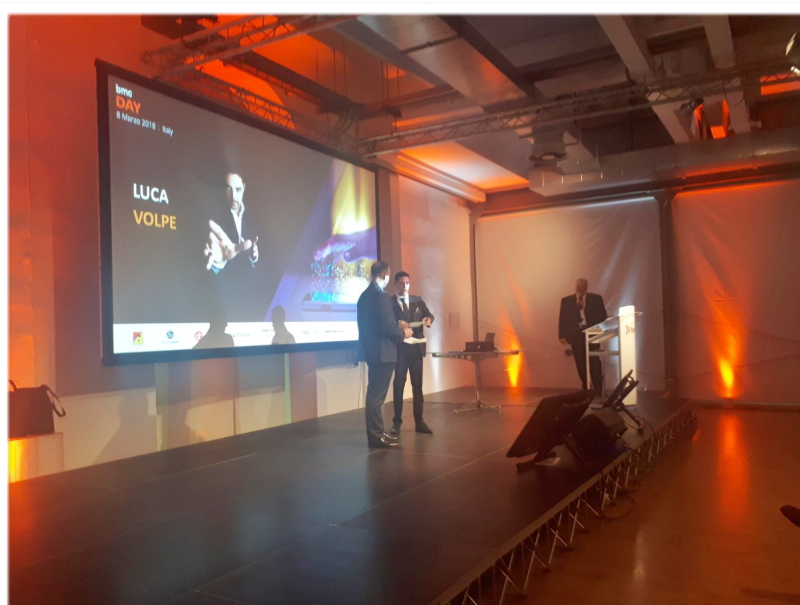

It is also possible to create special merchandise incorporating a company logo or message, that will be used for experiments during the show, this will further help implant in people's mind the product or company message.

Luca Volpe is always ready to interact with members of the team before each presentation, therefore guaranteeing the perfect outcome of the event.

Luxury Entertainment

LUCA VOLPE

Have you already participated in a Mentalism Show?

"The Gold Key" is the first "exclusive" Mentalism Show, with a mix of emotions, flavors and tastes.

The award-winning mentalist Luca Volpe, winner of the best mentalist in Europe, will show you how he can read your mind, interpret your body language, and how it is possible to go beyond your limits and do the impossible!

A show where the audience will be the leading star! An exclusive show for a few participants, who will have the opportunity to spend an evening in the name of the mysteries of the mind.

All accompanied by the best Champagne and Wines, chosen by excellent sommeliers, and combined with "creative" cuisine prepared by renowned chefs.

And its not over yet!

At the end of the show Luca Volpe will demonstrate an experiment that will leave you completely baffled!

And so that you don't miss anything ... a lucky winner will be awarded a "key" that will allow them to participate in the exclusive evening Gala that will close "The Gold Key" tour.

What are you waiting for? Are you ready to offer your clients a Luxury Evening of Entertainment?

Contact us for more info!

LUCA VOLPE

Do you want to motivate your team and at the same time entertain them with an interactive show?

Luca Volpe is the first Motivational Mentalist in Italy and an expert in "Personal Success Life Coach".

Author of the book "I CONSIGLI DELLA VOLPE" and featured in many video courses on the platform www.corsi.it His video course on "How to Influence People" has received all 5 stars reviews and thousands of downloads.

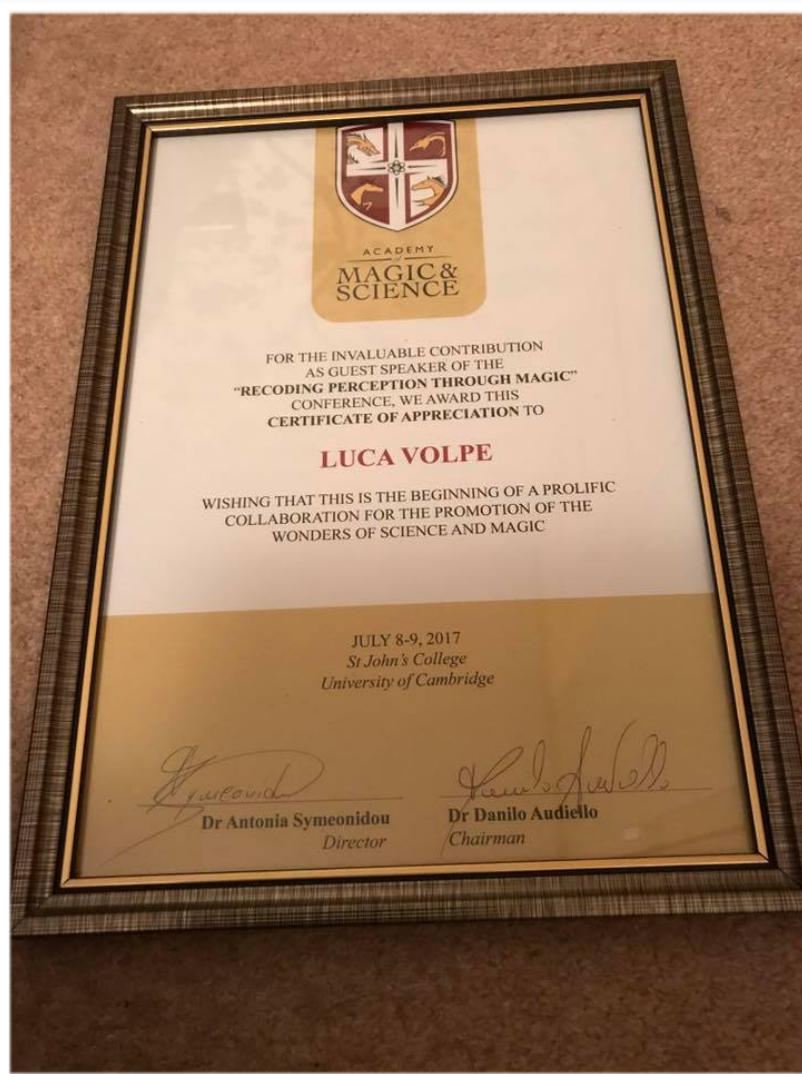

People from all Italy has uploaded pictures holding Luca Volpe's book "I Consigli Della Volpe" on their social networks.

The book is also been featured on National Radio Networks and TV,

Following some pictures during his talk at the Cambridge University
"UNLOCK YOUR DREAMS"

During the talk show will be covered the following topics:

- The Power of Decisions Making
- The Art of Positive Visualization
- Practical Steps to Goal Settings
- Communication Skills and Body Language
- Persuasion
- Practical concepts on Team Work
- Time Management
- How to be more productive
- Definition of Success

These topics will be explained through visual demonstrations that will metaphorically illustrate the concepts. This methodology of presentation not only differs from the usual motivational talks, but will help the audience to remember the concept explained as they will be directly involved thus creating a strong impact.
